UNITED STATES MAGISTRATE JUDGE

**PROBABLE CAUSE STATEMENT**

The complainant states that **Gustavo GUZMAN-Miranda (D3)** and **Jose Luis MURILLO-Rodriguez (D4)** are citizens of a country other than the United States; that said aliens have admitted they are deportable; that their testimony is material; that it is impracticable to secure their attendance at trial by subpoena; and that they are material witnesses in relation to this criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code, Section 3144. **D3** and **D4** are also being charged with Title 8 USC 1326.

On June 18, 2008, at approximately 1:30 AM, **Ashley Brooke LUKIN (D1)** arrived at the San Ysidro Port of Entry and applied for admission to the United States from Mexico as the driver of a white 2005 Chevrolet Express Van. Accompanying D1 as the only visible passenger in the vehicle was **Justin Hart LAMPERT (D2)**. D1 and D2 both declared United States citizenship by virtue of birth in the United States. D1 and D2 both stated they did not have their birth certificates. D1 presented her Arizona driver license and D2 presented his California identification card to a Customs and Border Protection (CBP) Officer. The CBP Officer received two negative customs declarations from D1 and D2 who explained they were in Mexico dropping off clothes to a homeless shelter. The CBP Officer questioned D1 as to ownership of the vehicle, to which D2 responded the vehicle belonged to their pastor.

During an inspection of the vehicle, the CBP Officer checked underneath and noticed that the bottom had a large metal plate covering more than half of the vehicle. The CBP Officer walked to the back of the vehicle, looked underneath and saw what appeared to be a person's head. The vehicle and its occupants were subsequently escorted to secondary for further inspection. While being escorted to secondary, D1 made the statement, "I was doing this for a little money so I wouldn't be homeless anymore".

In secondary, CBP Enforcement Officers had to lift and remove the right hand seat lever in order to release the bench seat that was directly behind the driver and passenger seat. Upon removing the bench seat, CBP Enforcement Officers lifted up the floor carpet and discovered two access panels. Upon opening the access panels, two persons were found concealed within a non-factory compartment. The two persons were removed from the compartment and identified as citizens of Mexico without legal documents to enter the United States and are now identified as: **Gustavo GUZMAN-Miranda (D3)** and **Jose Luis MURILLO-Rodriguez (D4)**.

CBP Enforcement Officers obtained fingerprints from all four vehicle occupants and queried them through the Integrated Automated Fingerprint Identification System (IAFIS). IAFIS identified D3 and D4 as citizens of Mexico and who have been previously deported from the United States. IAFIS also linked D3 and D4 to FBI and Immigration Service records. Queries through the Deportable Alien Control System (DACS) and the Central Index System (CIS) reveal D3 was ordered deported by an Immigration Judge on or about June 20, 1995 and was subsequently removed from the United States to Mexico on or about July 17, 1995. DACS and CIS records revealed D4 was also ordered deported by an Immigration Judge on or about October 13, 1992 and was subsequently removed from the United States to Mexico on or about October 14, 1992. Immigration Service records contain no evidence that D3 or D4 have applied for or received permission from the United States Attorney General or his designated successor, the Secretary of the Department of Homeland Security, to legally re-enter the United States.
